

Add Value to Your Build Without Adding Costs.

Not all houses are the same, and neither is the electrical wiring in them. Give the home you design, build, or even remodel, a competitive selling edge with the +5 Homeowners Electrical Protection Plan.

The +5 Plan is a 5 year additional warranty on your home's entire electrical workmanship and materials, at no extra cost to you or the homebuyer. Now you can build-in more value, more peace of mind, and with no more costs. It's only available when you use a +5 Electrical Contractor.

- ✓ **5 year warranty valid on any new house, condo, apartment, or remodel**
- ✓ **Includes all wiring materials and workmanship**
- ✓ **No additional cost to you or your homebuyer**
- ✓ **If there is an electrical problem, it will be repaired before it turns into a catastrophe**
